

## Kroger Community Rewards

### About:

The Kroger Family of Companies is committed to charitable giving at the national and local levels. One of the ways in which this is done is through the Kroger Community Rewards program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Kroger and use your Shopper's Card. Any using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Kroger donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Kroger Community Rewards organizations.
